In The Heart of Dubai

في قلب دبي

Dr. Arun Kanala

General Surgeon/ Surgical Oncologist

M.B.B.S, M.S, M.CH

Fellowship in General Thoracic surgery (USA), Harvard Medical School, Boston, USA.

Languages: English, Hindi, Telugu, Urdu.

It gives me immense pleasure to inform you that I have joined AL ZAHRA HOSPITAL, DUBAI as full time GENERAL SURGEON/ SURGICAL ONCOLOGIST with a surgical experience of more than 20 years in India & USA. I have done my M.S & M.Ch from OSMANIA MEDICAL COLLEGE, HYDERABAD, INDIA and subsequently CLINICAL FELLOWSHIP in Surgery from the prestigious HARVARD MEDICAL SCHOOL, BOSTON, USA.

After coming back to India, I have worked with Dr. Sai Yendamuri, an eminent surgeon from Roswell Park Cancer Institute, NY who is currently working in the United States as a team. I have extensive experience taking care of patients with various medical conditions. As my resume shows, I have worked in various environments in India, UAE & USA, Harvard Medical School.

EXPERIENCE & EXPERTISE

- All General Surgical procedures
- All minor & major laparoscopic procedures/ key hole surgeries
- Surgical oncology cases
- Open lung surgeries i.e. Lobectomy/Pneumonectomy/Decortication/Sleeve resections etc.
- Minimally invasive surgeries/ VATS – Video Assisted Thoracoscopic surgery.
- EBUS-TBNA (Endo-Bronchial Ultrasound- Trans bronchial Needle Aspiration) for Mediastinal lymphadenopathy.
- Mediastinoscopy/ Bronchoscopy procedures
- Lung cancer/ Mediastinal tumours/ Mesothelioma surgeries
- TB Surgeries/ BPF- Broncho-pleural fistula closures / Bullectomy
- Interventional Pulmonology procedures
- VATS Surgeries for Trauma- Pneumothorax/ Hemothorax.
- Malignant pleural effusions
- VATS Sympathectomy for Hyperhydrosis.
- VATS Pericardial window/ lung biopsy/ pleural biopsy/ Thymectomies etc.

I am proud to say that I am one among few surgeons in UAE exclusively performing General surgical/ lung surgeries/ surgical oncology cases with a special focus on minimal invasive surgery i.e. Laparoscopic/ VATS. Our Center at AL ZAHRA HOSPITAL, DUBAI is the only place which has the advanced equipment for LAPAROSCOPIC, VATS, EBUS and the state-of-the-art Operation theatres with the cutting-edge ICU units handling all the complex surgeries. We are in collaboration with Roswell Park Cancer Institute, Buffalo, USA working closely with them.

Your support is very much solicited to serve the surgical patients in UAE. I assure you that your patient is in the best hands and we give our 100%.
